

Environmental Policy

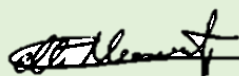

This policy applies to all activities undertaken by Cerenety Eco Campsite and Smallholding and impacts upon key suppliers and customers.

We are committed to minimising the environmental impact of our operations. We will achieve this through our commitment to:

- Comply with all relevant legislation and regulations;
- Regularly review environmental impacts of our activities, endeavour to reduce our overall environmental impact and prevent waste using best practice techniques;
- Involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities;
- Put measures in place to protect Cerenety's wildlife and surroundings;
- Use environmental products and practices throughout our operation;
- Maintain the site for future generations and minimise our impact on surrounding wildlife;
- Continue to update and use renewable energy and technologies;
- Construct everything from reclaimed, recycled or sustainable materials where possible. Try not to buy any newly manufactured materials if there is an alternative;
- Provide fresh, organic, season and local food;
- Sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms;
- Work with key suppliers to encourage them to develop environmental best practice;
- Improve resource efficiency (including our use of water, energy and raw materials); and
- Communicating the importance of sustainability and environmental practises to our work force and customers.

This policy is publically available on request.
